LUXURY DOOR TO DOOR COACH TRAVEL

GO TRAVELLING TOGETHER

Dear **GROUP LEADER**,

We've had a busy start to the year with lots of you already thinking about holidays for later this year. Don't worry though there is plenty of time if you haven't already got the ball rolling.

We've got some fabulous 2024 holidays already up and running and should you book as little as ten people on some selected breaks you will still receive a free place! Details of these are over the page.

Alternatively you might be looking for something in the Autumn or Winter months so here are a few ideas which may tempt you. And remember, it's never too early to think about 2025!

Lastly I'm pleased to welcome Pamela to the groups team, I'm sure you'll get to speak to her in due course. We both very much look forward to being of service to you.
Kind regards,

Lisa & Pamela x

With a keen interest in gardens, Pamela works with Gardening groups across the UK, besides WI, National Trust, U3a, and other special interest organisations. She loves putting together interesting, varied and enjoyable itineraries that will leave group members with lots to talk about when they get home and long after
